

## Covid-19 guidelines for play

### **Informed Consent:**

- Information regarding Covid-19 will be provided to all parents/guardians of youth participants and release of liability will be posted on our website and emailed indicating an understanding of the risks by participating in our league.

### **Face Coverings will be worn by participants and observants when:**

- Entering/exiting the ballpark
- A minimum distance of 6 ft cannot be maintained (non-household members)
- [Exception for those unable to wear a face covering due to a medical/mental condition, those under 2 years of age, and when a face covering poses a choking hazard/suffocation risk]

### **Physical Distancing**

- Participants will remain 6 ft apart when possible (ex. of when 6 ft is not possible: while in the dugout).
- All observers will be seated at least 6 ft from non-household members (spacing will be clearly marked).

### **Hygiene/Sanitization**

- All participants will be required to perform hand hygiene prior to the start of, during breaks, and at the end of play.
- Equipment sharing will be highly discouraged (absolutely **no** head/face gear or water bottles will be shared).
- No handshakes/fist bumps

### **Limitations**

- One game per team per day.
- Game times are spread out to limit the number of individuals in the ballpark.
- Observers are limited to household members or for the purpose of supervision.
