

VISALIA YOUTH BASEBALL

Post-Season Guidelines

Revised: 2018

A. Selection of Managers and Coaches

1. The Managers for the #1 teams for 12, 11, 10 year-old All-Star teams must be Managers or rostered coaches in the Majors Division. Managers for the #1 teams for the 9 and 8-year old All-Star teams must be Managers or rostered coaches. Any interested Managers or Coach shall submit an application form to the President. Any applications received after the specified deadline will not be considered.
2. An All-Star committee made up of the President, Vice-President, Treasurer, Secretary and Player Agent (for that Division) shall be formed and they will review and select candidates from all submitted applications. A ballot will be made up consisting of all candidates approved by the All-Star committee. The members of the All-Star committee will vote for one Manager in each age group and their votes will count as two (2) points.

The Managers in each age division will also vote for one (1) Manager or Coach from the approved list of candidates and their vote counts as one (1) point.

The ballots from the All-Star committee and the Managers from each division will be counted and the candidate with the most points will be awarded the team by the All-Star committee.

3. The All-Star committee may choose to interview any candidates that submit an application form to be a Manager for an All-Star team.
4. All Managers and Coaches for any All-Star team sanctioned by VYB must be certified by the Cal Ripken Division of Babe Ruth Baseball.
5. The Managers for any #2 All-Star teams (Majors, AAA, Minor 9's & Minor 8's) that will be participating in the State Qualifiers must be a rostered Manager or Coach, a Player Agent, or a Board Member. Consideration will also be given to others wanting to coach as long as they go through the certification process. The Managers for the #2 All-Star teams shall also be selected by the All-Star committee.

B. Selection of Players

1. The selection of the players for the 12, 11, and 10 year old #1 & #2 All-Star teams will come from the Majors Division and will be accomplished by the voting method that is currently in place. The voting will take place on the Saturday prior to the Majors Manager All-Star selection meeting. The top eight (8) vote getters will be on the team automatically and, if there are any ties for the eighth spot, they will also be automatic. The Manager of the team will select the remaining members of the team from the top 18 vote getters (or more if there are any ties for the 18th spot) in order to complete the team roster which will consist of 12 to 15 players.

Players that move up in division may only be eligible to compete in the division that they end in. Players that move up in division after the half way point may NOT compete in All-Stars.

In the event that there are not enough 12, 11, or 10 year olds in Majors to make both the #1 & #2 teams in their respective divisions, the #2 team will come entirely from AAA.

2. The Managers for the 9 year old and 8 year old Divisions may nominate up to six (6) players from their respective teams to be placed on the All-Star ballot.

VOTING PROCESS

3. The Managers for each division will meet at dates and times to be established by the respective Player Agents in order to discuss their recommendations for the #1 All-Star teams. At the end of the meeting, the Managers will vote for a minimum of 12 players and a maximum of 18 players. Players will receive 2 points for the #1 All Star Team and 1 point for the #2 All Star Team. After the voting for the players has been completed, the Player Agent for that division and the Cal Ripken President/Vice President will get together to count the votes. The Managers can vote for players on their own league team if they are on the ballot. The top eight (8) vote getters will be on the team automatically and, if there are any ties for the eighth spot, they will also be automatic. The Manager of each team will select the remaining members of the team from the top 20 vote getters for 8's and 9's (or more if there are ties for the 20th spot), and the top 18 vote getters for 10's-12's in order to complete the team roster which will consist of 12 to 15 players.

****Majors only**** The players in the Majors division get a ballot and get to cast votes for other players their age, but not on their team. The Players' votes count for 1/12th of a point and are used for tie-breaking purposes.

4. The selection of players for any #2 All-Star team which will be participating in any State Qualifiers shall be accomplished by including the players from the top 20 vote getters that were not selected for the #1 All-Star team, and the balance of the team will be selected from the remaining players from that age group.
5. The selection of players for any #2 All-Star team shall not occur until after the roster for the #1 All-Star team has been confirmed by the Manager of the #1 All-Star team to the Player Agent. The selection of any #3 All-Star teams shall not occur until the rosters of the #1 and #2 All-Star teams has been confirmed by those Managers to the Player Agent. This requirement is for any subsequent teams that may be formed. The announcement of the Manager for any #2 All-Star team shall not take place until the roster for the #1 All-Star team has been confirmed by the #1 All-Star team Manager and the respective Player Agent.
6. If a player is selected to an All-Star team and they refuse to be on that team, they cannot participate on another VYB sanctioned team, unless approved by the All-Star committee.
7. The ballots and the total points thereof shall be kept in confidence by the President/Vice-President and or Player Agent until the completion of the Championship Game for each individual division at which time the list will be handed to the assigned manager. The automatic players will be listed in alphabetical order, but the remainder of the top 18 (20 in 8's & 9's) will be listed numerically by number of votes received.
